(Issues Addressed)

**Community**

Being with others who  
understand the pain

**Sharing**

Your loved one was  
more than their addiction

**Addiction**

How did this drug take  
my loved one captive

**Stigma**

I can't let people know

**Coping**

This grief hurts in more  
ways than I ever  
imagined

**Healing**

The wound is deep and  
will leave a scar
