GENERAL PRICE LIST

These prices are effective as of January 11, 2021

A full service standard funeral arrangement totals \$3,490 for our services, general use of our facilities (not the use of our funeral chapel for visitation and/or service) and automotive equipment for up to a 2 hour visitation prior to service. This fee is what we call our firm's package service fee and it represents items 1-8 listed below. Any visitation time greater than 2 hours is welcomed and will be billed at \$48 per hour. It does not include merchandise, cash outlays, charges/fees of others. Our full service funeral arrangement package to include the use of our funeral home chapel for visitation and/or service would be an additional \$365 or a total fee of \$3,855. If you wish to use our funeral home chapel for a second day, an additional \$125 would be charged. We do not charge extra for weekend or evening services.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. We will ask for a form of payment on day of arrangement.

Professional Services

- 1. Basic Services of Funeral Director and Staff \$290**
 Our fee for the services of funeral director and staff and general facilities includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; staff assistance prior to, and following the funeral, including coordination with those providing other portions of the funeral, e.g. cemetery, and others. Appropriate allocation of expenses such as utilities, insurance, property taxes, supplies, telephone, parking facilities, office, preparation room, maintenance and general operating expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials, memorial services and forwarding or receiving remains.)
- 2. Embalming or Alternative Sanitary Care \$220**
 Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. Wisconsin State Board of Health (State Statute HSS 136.04) states that in lieu of the embalming process the embalmer is required to "treat and disinfect the body to include a thorough washing of the entire body with an acceptable germicidal soap or detergent and to clean all the body orifices with a topical disinfectant."
