

Burial Assistance Services

Wisconsin Funeral and Cemetery Aids Program (WFCAP)

If your loved one qualifies for burial assistance under the Wisconsin Funeral and Cemetery Aids Program (WFCAP) they may be eligible for payment to the funeral home of **up to \$1500** from the program, but this payment is **not** guaranteed. If there is a balance due it will need to be paid at time of arrangements.

No insurance assignments will be accepted with burial assistance packages. Sorry, no deviations from these packages will be allowed. If one of these packages does not meet your needs, then you may select a service from our General Price List, but by doing so you may not meet the requirements to receive benefits from WFCAP and all fees will be due at the time of the arrangement. This program may pay the funeral home up to \$1,500 if the total cost of the funeral home charges (not including cash advance items) are \$4,500 or less.

Because we must verify eligibility with WFCAP during their normal business hours, these arrangements can only be made on weekdays with no weekend or holiday appointments. If you believe your loved one may be eligible for this assistance, it is the responsibility of the family to inquire with our funeral director.
