

What is Katy's Kloset Medical Equipment Lending Library?

Katy's Kloset is a nonprofit lending library that accepts donations of good, used durable medical equipment for children and adults. We then loan it out at no charge to those in need. Recipients may keep this equipment for as long as needed, and are asked to return it when no longer needed, so it can be recycled again and put to good use.

Katy's Kloset has no paid staff, just a dedicated group of volunteers who give freely of their time and talent. We are a service of Team Up! With Families, which supports our nonprofit work by providing our rent, office supplies, phones and utilities. Team Up's mission is to enrich, nurture and strengthen individuals with special needs and their families through activities, services and programs.

Have extra time and enjoy helping people? Consider volunteering at Katy's Kloset. The smiles and gratitude of those using our service are a great reward!

To Donate or Borrow Equipment

Katy's Kloset is open Sat. 10 am – 1 pm and Wed. 3 - 5 pm; you may also call 262-746-9034 during these hours to ask about availability.

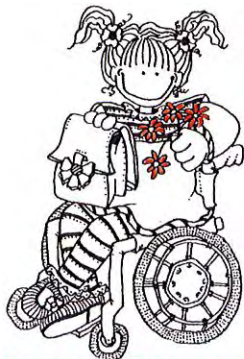

Available Equipment

Our inventory varies depending on what items are donated and which items are currently on loan. All equipment is available for adults and children. Items are loaned out "as is" and Katy's Kloset is not responsible for use of equipment loaned. It is recommended, but not required, that you consult with your doctor or therapist regarding fitting adjustments and appropriate use of equipment.

Typical items in warehouse include:

- Walkers
- Wheelchairs
- Strollers
- Standers
- Positioning Chairs
- Toilet Risers
- Bath Chairs
- Commodes
- Hospital Beds
- Shower Benches
- Daily Living Aids
- Canes & Crutches

If your church, club or organization would like to organize an equipment drive to benefit Katy's Kloset, please call 262-746-9034. With our new, bigger warehouse, we can take in even more equipment donations than ever before.
